

How do I enrol my child at Flinders View Preschool?

*Enrolment forms are available from the Front Office of the Primary School and can be returned either there, or to the teacher at the Preschool.*

*You will then need to negotiate session times with the Preschool teacher. Please refer to the information inside the pamphlet to see the sessions your child is eligible for.*

*We look forward to welcoming you and your child soon!*

## Session Times

Flinders View Preschool is open from 8.30am to 3.00pm Monday to Thursday.

(Playgroup is 10.00am to 12.00pm Fridays)

The AM session is 8.45am to 11.30am.

The PM session is 12.15pm to 3.00pm.

4 Year old children are eligible to attend **6** sessions per week.

Eligible 3 year children may attend **4** sessions per week. (Speak with the teacher regarding early entry conditions).

**\*Your child should be booked into regular sessions and needs to attend these sessions to allow for staffing and learning to be planned around booked attendances.**

Pre-Entry is held on Tuesday mornings during the term of your child's 4th birthday.

## Attendance Fees

Minimal fees are payable once per term and this year are set at:

- \$30 per term for Preschool
- \$10 per term for Pre-Entry Sessions
- \$1 per Playgroup Session (Parents and Caregivers are required to stay and supervise their child/ren at these sessions)

### What should we bring with us?

**\*A sun-safe hat for Terms 1 and 4 please\***

We strongly encourage healthy eating in our Preschool so please pack your child a snack and lunch containing sandwiches, fruit, vegetables and yoghurt, or other suitable dairy products. We will place your child's lunchbox in the fridge when they arrive.

**\*Please do not pack chocolate, lollies, or high salt products as we would like all our children to grow up healthy and strong! \*\*We are also a nut-free zone!**

We will provide water for your child to drink, or you can send in a drink bottle for your child filled with water.

Please also provide a spare change of clothes with clear labels showing your child's name.

**\*It is also important for us to have all information about your child's allergies and care needs to ensure we always provide the best and safest care possible.**

### What do we learn about?

At Flinders View Preschool we have a play-based curriculum and use 'The Early Years Learning Framework' (DEEWR 2009) as a guide to teach your child about social skills, routines, literacy and numeracy skills, as well as important oral language skills.

We also learn about our environment and world, science topics, and go on regular excursions to extend our understanding of concepts learnt.

Our Preschool also promotes plenty of physical activities and opportunities for creativity to bring out the best in every child.

**\*We hope to chat with you about your child's needs soon!**
