I am very excited to work together with the following parents and carers, who will represent the school community on Governing Council, to further build on future actions and developments, to improve student learning outcomes and also our school environment.

Parent Teacher Interviews

These are being held on Monday 29th and Tuesday 30th of March and notes were sent home yesterday. This year we are using an online format for booking interviews with your child's teacher. You will be able to use a link to book your interview time on your phone, ipad or any other electronic device. The link will be sent home with student as well as by TXT message, hence the importance of us having your most recent phone number on file.

Interviews are a great way to find out about your child's learning so far and the steps taken to help them progress. We hope all families and carers make the most of this opportunity by making an appointment. If you do not have access to a device to make an appointment please contact the front office for support. If you are not available to meet on the above dates, please contact your child's class teacher and arrange an alternate meeting time.

National Day of Action against Bullying and Violence

Friday 19th March marks National Day of Action against Bullying and Violence. During the past week classes have been having whole class discussions defining bullying and what it means to be a bystander. Our aim is to ensure all students understand that bullying is not OK and how working together we can reduce the number of incidents at school. Tomorrow all classes will be involved in making an "I" movie to show their understanding of bullying and how to deal with it at school and in the community.

**National Day
of Action against
Bullying and Violence**

SAPSASA

On Wednesday 10th March our students travelled to Central Oval Complex to represent Flinders View Primary in the SAPSASA Basketball Carnival. After four games against schools from Port Augusta and Roxby Downs, the boys defeated Seaview to finish 9th overall and the girls defeated St. Barbs and PAWPS to win the Division 2 final – a fantastic achievement by the girls who pursued their personal best in every game.

A big thank you to Karen for her help, support and positivity throughout the day. I was proud of how our students performed on and off the court and I am grateful when they helped at the scorer's table.

Several adults from others schools praised our students for their sportsmanship - including passing the ball to their opposition, who hadn't scored, giving them an opportunity to score.

Next SAPSASA carnival – Football and Netball – our students will be heading to Central Oval (netball) and Stirling North Primary (football) on **Wednesday 31st March**.

STUDENT REPORT:

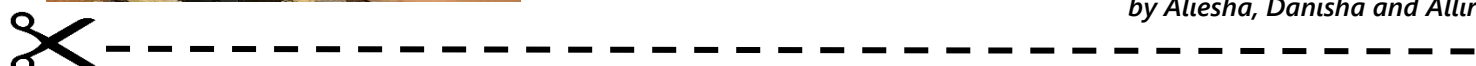

The year 6/7 girls' team won the Division 2 basketball finals at SAPSASA this week.

In the finals it was a tough game against Port Augusta West but luckily, we pushed through and defeated them by one point. It was exciting playing such a close game. We had already played five games earlier in the day.

Unluckily the boys didn't get a chance to have a go in the finals but they still had a good day and enjoyed themselves.

We thank Mr U and Karen for supporting us and also we thank the umpires and coaches.
