## Flinders News

TERM 2 WEEK 8 THURSDAY 17<sup>TH</sup> JUNE 2021

DATES TO REMEMBER:

"Never stop learning because life never stops teaching" – Kirill Korshikov

#### From the Principal's Desk...

Dear parents and caregivers,

There is always something happening at Flinders View and the last couple of weeks have been particularly busy!

#### **FAREWELL**

We are all very sad to be saying farewell to Kayden Bejah, who has left us to take up full time employment with Progress Rail. Kayden has worked here supporting our Aboriginal Education team for the past 4 years and will be missed by us all. We wish him well with his new career direction.

#### **CAMP**

Our Year 6 and 7 students have enjoyed their class camp to Adelaide, taking part in many new experiences such as; using public transport, exploring the Adelaide CBD and adventure activities. Whilst in the city students visited the Adelaide Museum, the Botanical Gardens, Rundle Mall and many more exciting landmarks. Students used their resilience skills whilst trying bouldering and ice skating, providing many laughs. Before beginning the trek home, students visited the Adelaide Planetarium to be immersed with all things Earth and Space. Overall, the camp was a huge success and enjoyed by both students and staff.

#### **MOBILE PHONE POLICY**

Schools are required to implement a site policy in regard to Primary School student's use of Mobile Phones and Devices. All families received a draft copy of our policy to read and provide feedback. This was an agenda item at our Governing Council meeting this week and will be ratified at the next GC meeting.

#### **PASS TRANSITION**

PASS parent information night has been rescheduled to Tuesday 29<sup>th</sup> June. It is important the families of current Year 6 and 7 students attend this session as high school staff will be here to present key information in regard to transition and is an opportunity to ask any questions you may have.

#### STUDENT REPORTS

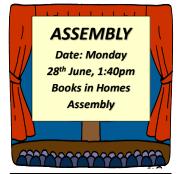

Staff are busy writing student reports at the moment, which will be issued to students Thursday 1<sup>st</sup> July. Students receive a general and overall comment from their class teacher. Students who are absent on the last day of term will have their reports posted. Please make sure we have your current address on file to ensure prompt delivery.

#### **CANTEEN**

The Canteen Menu has been updated recently, please remember to check the new prices before placing orders. Lunch orders are completed in classrooms before 9.00am, students who arrive late place their order at the canteen and have a modified menu to choose from after 9:30am.

Shayarnah Saunders-Smith	R	Whole body listening, trying her best not to give up

# ASK – Adults Supporting Kids

ASK is a support service for anyone in South Australia who is concerned about the safety and wellbeing of children or families. The adult supporting kids website links people with approximately 1000 free or low cost services across the state that support children, parents and young people.

Visit the website to find what is on offer to families, www.adultssupporting kids.com.au

#### **Key Messages of ASK**

- It's OK to ASK for help. So ask early and ASK often. Your family is important and so are YOU!
- Raising children can be challenging. At times, families may need information and support to keep kids safe and well.
- It is difficult to ask for help especially with complex issues. ASK is a safe place for people experiencing difficulties to get the right help at the right time

Are you worried about the safety or wellbeing of a child, young person or family?

SK is a free service that can connect yo o information and support near you. 's ok to ASK for help, o ASK early and ASK often.

### It's been a busy couple of weeks at Flinders View ...

Congrats to Holly & Todd on their engagement ©

## **Bush Tucker Garden**

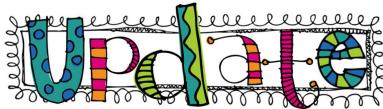

## **Room 12**

This year Room 12 has had a focus on sustainability, reducing our waste and recycling. We have learnt about recycling soft plastics and composting our organic waste.

We have investigated the impact our waste has on our environment and how long particular things take to break down.

Students have also engaged KESAB activities where they made recycled paper and learnt about what bins different material go in.
