From the Principal's Desk...

Dear Parents,

The end of term 1 is finally approaching us and what a busy week we have planned celebrating and recognising regular attendance at school and success in learning.

It's hard to believe that at this time last year we were wondering what our future may look like as we were hit with the COVID pandemic. We are grateful that things are returning a little more like normal as further restrictions are lifted around the country.

Thank you to families who were able to attend parent teacher meetings earlier this week. We hope they provided you with an insight into your child's learning and their progress so far this year. If you were unable to attend an interview, and would like to discuss your child's learning, please feel free to contact your child's classroom teacher to arrange a suitable time early next term.

To celebrate the end of term we are holding a community bacon and egg breakfast next Thursday. It is a great way to form positive connections with the school so come along and join us for breakfast when you drop your children to school.

Next Thursday we hold our last assembly for the term. This assembly will be led by our school leaders as we acknowledge their commitment to their new roles. We invite all families to come along and celebrate the successful learning that has been taking place. Our assembly will be held in the undercover area near the Aboriginal Education team building. We look forward to seeing everyone there.

Students will be dismissed next Thursday at 2:10pm with term 2 resuming on TUESDAY 3rd May. Reminder that Monday 2nd May is a student free day as staff will be attending a training and development day. Staff will be grateful to finally attend this training with Stephen Graham as it has been cancelled on three previous occasions due to COVID!

We wish everyone a safe holiday and a Happy Easter to begin the break.
