From the Principal's Desk...

Dear Parents,

Welcome back, I hope everyone is feeling refreshed and ready for a very busy Term 2! I am certainly glad to be back after some unplanned leave at the end of last term. I would like to thank all staff for their support, with particular thanks to Stacey and Ange who kept things running smoothly in my absence. I have enjoyed seeing the students again and watching them settle back into classroom routines quickly.

Last Monday was a student free day which meant teachers were busy learning while students enjoyed an extra day of holidays! The training was presented online by Stephen Graham in the area of teaching text types.

NAPLAN

NAPLAN takes place during this week and next for students in Year 3 & 5. The best way to prepare your child, if you have children in these year levels, is to reassure them that NAPLAN tests are just one part of their school program, and to urge them to simply do the best they can on the day. It is also important to ensure that they have a good night's sleep and are at school on time. Any questions regarding NAPLAN can be directed to Stacey Waterman.

Year 6 High School Transition process

Yr 7 Registration of Interest packs were sent home with Year 6 students last week. Letters included a personalised link for families to go online and complete their registration of interest for secondary school. If you would prefer to receive the link via email, please contact the front office. Later in the year students will receive their placement offer at the local high school and enrolment forms to complete.

Governing Council AGM

Our Governing Council AGM date is Tuesday week, 24th May at 5:15pm. Everyone welcome, crèche provided.

COVID update

The new 'normal' is evolving continually as we are all learning to live with COVID in our community. Whilst there have been a few changes to advice from SA Health, staff and adults on site continue to wear masks. We encourage students to wear mask while we continue to model and practice good handwashing and hygiene. Please remember to keep your children home if they have symptoms and get them tested. It is important that families notify the school of positive cases.

Community Bridge Walk

Saturday, 14 May 2022
10am - 2pm

Please join us for a community celebration and walk across the new bridge

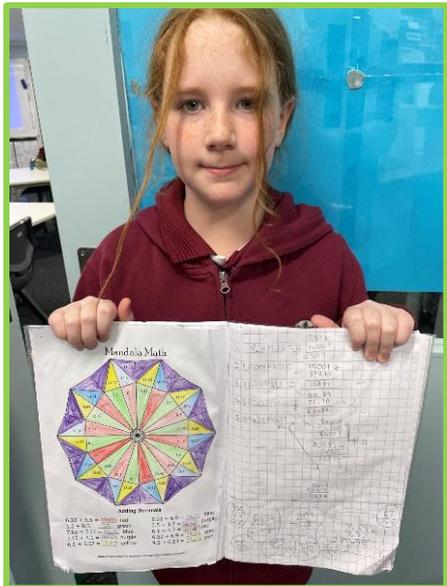

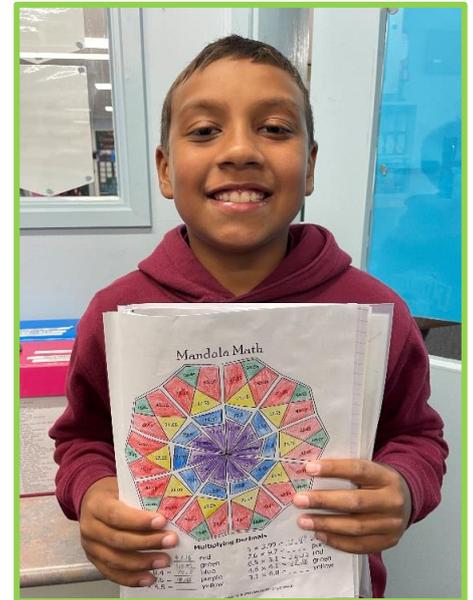

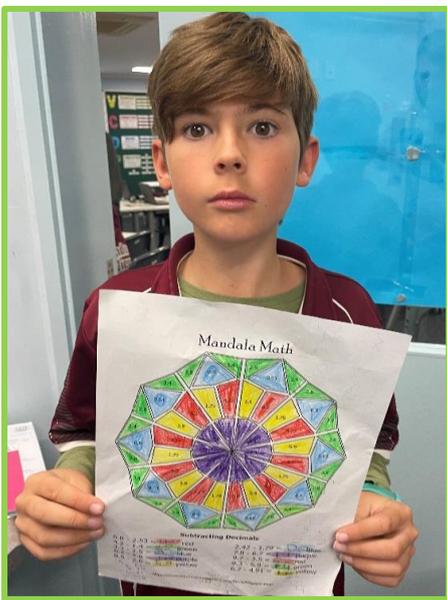

Be one of the first to walk over the new bridge before it opens to traffic. Come along and also enjoy a free sausage sizzle, family-friendly entertainment, children's activities and a staffed project information display. Light refreshments will also be available for purchase.

Access to this event is only available from the Westside Foreshore and car parking is limited. Disabled access car parking will be provided close to the event site. If you can't leave your car at home, you can park at the dedicated car park and jump on a bus, which will take you to the Westside Foreshore from where you can walk across the new bridge.

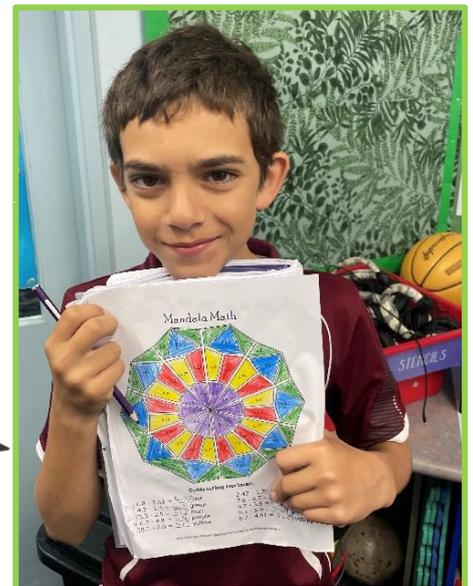

Buses will run every 15 minutes between the car park and event site. In the interest of community health, please observe social distancing and wear a mask on the bus.

Please visit www.pw2pa.com.au for event updates or email us at enquiries@pw2pa.com.au with any questions.

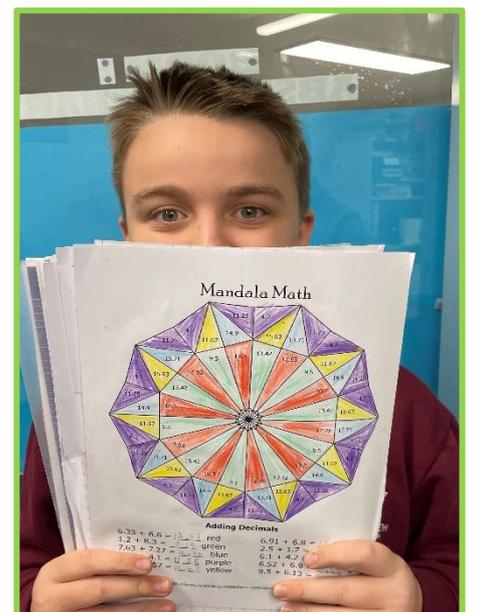

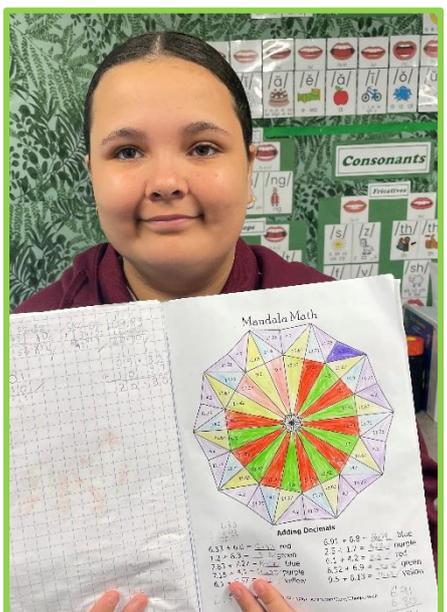

Room 1 Decimals

This term for Mathematics, Room 1 have had an in depth look at decimals. We have learnt how to accurately add and subtract decimals together. We have also learnt how to multiply decimal numbers by whole numbers and multiply decimal by decimal numbers. To help further our understandings of decimals we created mandalas where we had to either add, subtract or multiply decimals.
