THURSDAY
22nd SEPTEMBER

SCHOOL CLOSURE

WEEK 9
FRIDAY
23rd SEPTEMBER

STUDENT FREE DAYS

WEEK 7
MONDAY, 5 SEPTEMBER
WEEK 10
MONDAY, 26 SEPTEMBER

From the Principal's Desk...

Dear Parents,

It's fantastic to visit classes and see these filled with many students now at school!

Thank you to families who are contacting the school when their children are absent, it certainly makes it easier when we know and understand the reason for this. Currently our term 3 whole school attendance sits at 80%, but we still have a way to go to reach our 90% goal. Let's keep working on building regular attendance habits, so that our children get the best opportunity to do well at school.

Support Staff Week

Next week we celebrate Support Staff Week in which we recognise our awesome School Services Officers (SSOs), Aboriginal Community Education Officers (ACEO's) and Preschool Educators. We could not function without them and everything they do helps support your children in improving all aspects of their school life. So help us recognise our support staff by encouraging your child to thank those who have helped them this year.

Parent Survey

Each year we ask you to provide your perspective about how you think our school is performing, what you think we are doing well and where you think we need to improve, by completing a survey. If you haven't already done so, we invite you to complete this by using the QR code. The survey takes 10 minutes to complete and gives a broad picture of how parents engage with the school. Your answers will not identify you or your child. Only collated feedback will be provided to our school. Information collected will inform school planning and activities at the school. The survey closes 5pm Sunday 28 August.

Kind regards,

Anna Nayda ☺

Department for Education

Wellbeing Leader – Ange McAuliffe

All Stars Week 3

Students are selected by their teacher and peers to participate in some free time to acknowledge the great work they have been doing.

ROOM 1

- AS Kasey Dodd – Always on task & achieving work at a high standard
- AS Jackson Tuip – Always on task & achieving work at a high standard
- R Denzel Nayda – Calling out less in class & showing greater persistence

ROOM 2

- AS Emma Coleman-Hateley – Showing all play is the way values
- AS Seth Drechsler – For being a role model
- R Declan Lodge – For improving his attendance and school work

ROOM 3

- AS Ella Surman – Being focused in all learning areas
- AS Reese Butler – Always being kind to others
- R Harlin Lodge – For coming to school 12/13 days and trying his best with learning

ROOM 4

- AS Ryleigh Case – improved participation in class
- AS Frankie Brown – participation in play is the way values
- R Quorlesha Johnson – Improved attendance and participation in all learning

ROOM 12

- AS Charley Whitaker – For always pursuing her personal best and participating in all learning
- AS Robert Soutar – For always pursuing his personal best and participating in all learning
- R Aaliyah Hull-Grandile – Improving her work ethic in phonics and taking responsibility for her homework

ROOM 18

- AS Evelyn Jenkins – It takes great strength to be sensible
- AS Sophie Tuip – Always treats others as she would like to be treated
- R Macarius Haines-Harris – Improved focus towards learning

ROOM 19

- AS Jassiah Sailor – Being a kind friend and treating others how he would like to be treated
- AS Ailya Marks – Pursuing her personal best, even when it seems hard
- R Paityn Preston – Being brave and participating even when it can be overwhelming

HERE'S THE NEWS FROM THE LIBRARY

Welcome to Hun'nee Rose, Savannah, Aaron & Denzel who have shown great leadership skills in becoming Library Monitors for the remainder of Term 3.

They are learning how to navigate the library system so if you see them in the library be sure to give them a pat on the back for a job well done!

national science week

13–21 August 2022 Australia-wide

This week, we are participating in National Science Week with lunch-time science activities. Students always enjoy science with Mrs Reid and I am sure they are all looking forward to what is in store for them in terms 3 and 4 this year!

We are collecting bread bags as part of 'Wonder Recycling Rewards for Schools' Please hold onto your bread bags and send them in with your kids.

Year 6 2023 High School Enrolment Offers:

Our year 6 students will soon receive enrolment offers for secondary school in 2023. Not all schools will send their enrolment offers at the same time, but they will be sent as close as possible to 12 August 2022. Most families will receive their offer via email. If you have not received your enrolment offer from your secondary school, please check your junk folder for an email from education.noreply@sa.gov.au

If you did not provide an email address with your Registration of Interest form, your enrolment offer will be sent in the mail. If your enrolment offer has not arrived by 19 August, please contact the front office on 8642 5866 so we can follow up with the secondary school on your behalf.

If you need support to accept your enrolment offer, it is best to contact your allocated secondary school and they can step you through the process.

Book Week 2022: Dreaming with eyes open...

Each year Children's Book Council of Australia brings children and books together celebrating Book Week. During this time we celebrate Australian children's literature.

We will be holding a book parade on Tuesday 28th August. Students are invited to dress up as their favourite book character and participate in our parade starting from 10.00 AM

The theme is about stepping into your own story, dreaming with eyes open...

listening to Country as the first storyteller...

learning from friends who help you on your way.

EARLY PICKUP REMINDER!

Please remember when picking up your child for early dismissal to sign them out through the front office.

MEDICATION REMINDER

If you have received a message regarding your child's medication, please action as soon as possible.

TECHNOLOGIES

This term, students in Rooms 3 & 4 have started looking at Design and Technologies and making strong structures. They have learnt about different materials and shapes used in building design. In small groups, students then were given a design challenge. They had limited resources to try and make the tallest, freestanding structure. Before they started the building process, they had to work with their group to brainstorm and sketch out designs. This week we have started the building process. Next week, we will be finishing their builds and testing to see how strong they are using a shake table (earthquake simulation).
