Week 9

COLOUR FUN RUN

Friday
2nd December

STUDENT FREE DAY

Monday
5th December

"Teachers open the door, but you must enter by yourself"

Chinese Proverb

From the Principal's Desk...

Dear parents and caregivers,

This time of the year becomes very hectic.

There are a number of things happening as we prepare for the end of the school year. Teachers become busy finishing off units of work, writing end of year student reports, arranging class lists for next year, excursions and end of year celebrations to disrupt classroom routines! There is Year 6 Graduation and Kindy Graduation to organise along with transition to high school and transition to school events. Sounds very hectic when you think about it!

We will start 2023 with the same amount of classes however if your children are leaving Flinders View, please ensure you let us know. This information will assist us in making any necessary adjustments around student needs to the proposed class lists.

We are excited to see 28 new receptions and 9 preschool children involved in our transition program who will be starting in 2023. If you know any families who are yet to enrol their preschool child please encourage them to do so as our preschool is almost at capacity and we do not want them to miss out.

Graduation YRS 6 & 7

Information has gone home with students and invited guests in regard to our student Graduation Night. It will take on a new format this year. Please keep an eye out for notes sent home and respond to them at your earliest convenience for catering purposes.

Colour Fun Run

Students have been busy fundraising for the Colour Fun Run, which will be held on Friday 2nd December on our school oval. We invite parents and caregivers to attend this event, at 2pm, to watch their children participate. We look forward to the sea of colour on this afternoon.

Reminder: *if you do not want your child to participate you must return the completed form sent home to the front office.*

Student Free Day

Monday 5th December is our final student free day for the year. There will be no school for students while staff are analysing individual student data in preparation for their planning for the new school year.

Finally, it's that time of the year to check for any library books at home and return them to school ready for the annual stock take!

Kind regards,

Anna Nayda ☺

ROOM 4 LEARNING

This term in HASS (history, geography and civics/citizenship) we have been looking at places in Australia, focusing on world heritage sites and why they are important. Students were asked to investigate and report on the sites characteristics, the difference between them, environmental factors, climate, the Aboriginal country its located in and what it takes for that particular place to be classified as a world heritage site.

Students have used the YouTube clip 'Austins Butterfly' to give and receive feedback on their work from peers and their teacher. This means that students have had the opportunity to improve their work and complete a couple of posters.

This term we have been able to run some lunchtime activities on Thursdays. We recently had Staff verse Students in a game of Netball. Staff showed no mercy with a solid win of 13-1 😊

All students played with great sportsmanship and happily shook hands at the end of the game. There were many eager students wanting to play against their teachers again in the future.

Thank you to Principal Anna and SSO Jenny for umpiring. Lunchtime activities are a great way to engage with Students on a fun level outside of the classroom. We always have a blast.

Varnya (Pastoral Care Worker)
