DATES TO REMEMBER:

SCHOOL ASSEMBLY

End of the Year Awards

Thursday
15th December

9:20am

ALL WELCOME

From the Principal's Desk...

Dear families,

Just like that the 2022 school year is quickly coming to an end!

While we've had another interesting year, I'm grateful we've been able to come together as a school community during the year. I sincerely thank all our families for your patience and flexibility in working with us to ensure student learning and wellbeing has always been at the forefront.

With just over a week before we start our Xmas break we have a number of special events happening. Commencing with our whole school Christmas Celebration Lunch next Tuesday, Year 6 two day transition to PASS, Preschool Graduation on Wednesday, our final assembly next Thursday and to conclude the year we finish with a community breakfast next Friday. Everyone is welcome to join us at our assembly on Thursday at 9:20 am where we recognise and celebrate our achievements throughout the year and farewell those leaving us.

This year we say farewell to the following staff: Jane Hamilton who has won a teaching position at PASS, Amanda O'Reilly who has won a teaching position at Augusta Park Primary School and Samuel Hall who has moved to John Pirie Secondary School in Port Pirie. In the Child Parent Centre we say farewell to Sage Othams as she takes leave to prepare for the arrival of baby number two and Nicole Yendall who has won a position at Caritas College. We thank these staff members for their valuable contributions to our school community and wish them all the best in their new ventures.

To our year 6 students, congratulations and well done on making it to the end of your primary school years! I hope, as you move into high school, that you take with you some strong memories of your time at Flinders View and find the courage to build on your strengths and learning. Remember to always work on becoming the best version of yourselves.

I would like to extend my thanks to our Governing Council members and to all families in our community for your continued support. It is important for our students to see us all working together.

To staff, families and students who are returning in 2023, I look forward to working with you again and hope you have a safe and enjoyable break.

Merry Xmas to all.
