## From the Principal's Desk...

Dear Parents & Caregivers,

The end of term 1 is finally approaching and what a busy week we have planned celebrating and recognising regular attendance at school and success in learning. Next Friday is the last day of term and to celebrate students have elected to have a casual clothes day. If your children are telling you they don't have to wear their school shirts that is in fact correct!

Thank you to families who were able to attend parent teacher conversations last week. We hope they provided you with an insight into your child's learning and their progress so far this year. If you were unable to attend an interview, and would like to discuss your child's learning, please feel free to contact your child's classroom teacher to arrange a suitable time early next term.

To celebrate the end of term we are holding a community bacon and egg breakfast next Friday. It is a great way to form positive connections with the school so come along and join us for breakfast when you drop your children to school. We ask for a gold coin donation for people having bacon and eggs, thank you.

## Out of school hours emails and Seesaw messages

We understand that communication plays a vital role in ensuring our students receive the best possible education and this means parents and staff need to connect on a number of occasions, whether through emails, telephone or seesaw. It's not always possible to connect face to face or via a phone calls so having alternatives ways to communicate makes keeping in contact easy. However, we also believe that staff deserve a healthy work-life balance, which includes time away from work to rest and recharge.

This means if you email directly to teachers, or message through Seesaw, teachers will respond during regular working hours. This means if a message is sent on a Friday, over the weekend or after 4:30, a response will be provided on the next school day. I thank you for your understanding and support.

**REMINDER:** Students will be dismissed **tomorrow (Easter Break) and next Friday at 2:10pm** with term 2 resuming on **TUESDAY 2<sup>nd</sup> May**. Monday 2<sup>nd</sup> May is a **student free day** as staff will be attending a training and development day.

We wish everyone a safe and enjoyable Easter and holiday break

Anna Nayda ☺

The First Adnyamathanha Ceremony - Malkarra

In the last few weeks all students have listened to and re-told the Adnyamathanha Dreamtime Story 'Yulu's Coal'.

The story belongs to the Adnyamathanha people of the North Flinders Ranges. It tells of how the coal at Leigh Creek came to be there and of the formation of Wilpena Pound. The students have participated in craft activities creating their own Arkaroo (Giant spiritual snake).
