TERM 3 WEEK 10
THURSDAY 24TH SEPTEMBER 2020

DATES TO
REMEMBER:

"Manners are a way of showing other people we care about them."

Adam (BLAST FROM THE PAST)

From the Principal's Desk...

Dear Parents and Families,

Last Thursday was our new look family night and what a great way to end Term 2! I would like to thank all families who supported and attended this event. You would all agree, many students showed great courage in showcasing their learning. There were definitely many proud moments and highlights, shared by us all, throughout both performances!

Combined Schools Choir

Last night, primary school choirs from all over South Australia gathered at their local cinemas for the premiere of the Festival of Music Choir Movie 'Sing.' Flinders View, Port Augusta West and Caritas College were the three Port Augusta children's choirs who continued to sing as best they could after being isolated during lockdown.

Footy Colours Day –Stacey

Tomorrow our term finishes with 'Footy Colours Day' organised by our SRC. Students are able to wear their favourite sports team colours, not just football, and provide a gold coin donation which is being collected for **Kids with Cancer**. A student vs teacher football match during lunch has also been organised which will be a lot of fun.

School Plus Smart Giving Grant Success

We are delighted to advise our community that our school has been successful in a Schools Plus Smart Giving grant application and will be receiving \$30,000! We thank Danielle Barnes for her hard work in writing the submission and for our success. This money will fund a Bush Tucker Garden, created and established by students and the community through our school Passion Projects. Our school passion projects are aimed at engaging students through interesting and authentic learning experiences. Some of the passion projects completed this term include: Rm 1 & 2's Market Day, Rm 3's Pet show, Rm 12's Countries around the World and Rm 18's Arid Plants Project. Many teachers have begun planning their classroom passion projects for next term.

Parent Survey

Thank you to the parents and carers who have already responded to the parent survey. It's not too late to have your say. You can find the link below, on our School Facebook page or via an SMS sent home to you earlier this week.

The survey should take no longer than 10 minutes to complete and your feedback is important to us. We use this feedback to help understand the things we're doing well, where we can improve, and what's really important to you as a parent.

Happy holidays, keep safe and remember *school finishes at 2.10pm tomorrow!*

Division 2 - Country State Carnival Football

Runner up

SAPSASA Sports Day

On Tuesday 1st September a group of Year 4 to 7 students travelled to Stirling North Primary School to participate in Northern SAPSASA Athletics against other schools in our region. Students who are selected are usually those who performed well at our own Sports Day. However, due to ours being postponed due to poor weather, those who went were students who did well in their Physical Education lessons. All students represented Flinders View Primary School wonderfully, they were brave and pursued their personal best when competing in events.

In Health we have been focusing on being the master, not the victim of our feelings and selecting coping strategies to calm ourselves down when we are feeling angry, frustrated, annoyed, etc. All students did brilliantly throughout the day controlling their emotions and being resilient, getting back up when they fell down and supporting others in their events.

A big thank you to Mrs Waterman, Miss Kay and Kayden for their help and support (and their great measurement and raking skills on the long jump pit). Also, a big thank you to all family and friends who attended to cheer and encourage our students.

SAPSASA State Football and Netball Carnival

During Week 8 Tia-Rose Dyson, Josh Saunders and Mr U participated in the SA School Sport SAPSASA Football and Netball Carnival in Adelaide. Kyreese Stapleton was also selected, however was unable to play due to injury. The team they were representing was Northern, selected from schools across Port Augusta, Roxby Downs and surrounding regions.

The netball team finished in 4th place in Country Division 1. They won 6 games and only lost 3. The football team finished in 2nd place in Country Division 2. They won 8 games and lost only 1. This is a fantastic achievement for both teams. Tia and Josh should be extremely proud of themselves and their team.

FVPS Choir

Last night, primary school choirs from all over South Australia gathered at their local cinemas for the premiere of the Festival of Music Choir Movie 'Sing.' Flinders View, Port Augusta West and Caritas College were the three Port Augusta children's choirs who continued to sing as best they could after being isolated during lockdown.

The combined choirs met and sang together for the first time at Augusta Cinema. They also viewed 'Behind the Scenes', a movie made of exclusive behind the scenes choir footage taken this year during rehearsals at individual schools.

Our young choir have done an inspiring job continuing to learn and practice songs throughout the year, not knowing if they would ever get to perform them in public.

This is only the second time in 129 years that the Festival of Music choir live concert has had to be cancelled, the first time was during the Spanish Influenza epidemic in 1917.

Watch out for opportunities to hear the choir in action next term!
