STUDENT FREE DAY

FRIDAY

23RD JULY

Term 3, Week 1

No school for
student's the first
Friday back!

From the Principal's Desk...

Dear parents and caregivers,

On Monday we held our end of term assembly hosted by the Student Representative Council. At this assembly, students who have been working well during the term, were acknowledged with an end of term “Focus on Learning” award. Also all students were presented with their “Books in Homes” books. These books were sent home with students to share with their families over the holiday break. It's always an exciting time when these books arrive!

Another highlight for children this week was our Staff versus Students netball match at lunch time yesterday! Our SRC has been instrumental in making these matches happen at the end of each term. It is a great way to finish a busy term and we will all look forward to the end of Term 3 for students to redeem themselves after a very shabby performance yesterday! Well done SRC for organising these matches.

Tomorrow morning we will enjoy a Community Breakfast. This is a great way for families to make connections with the school. Please come along and enjoy breakfast with staff and students in a casual environment. We are also celebrating the end of a busy term with a ‘Casual Clothes’ day. So don't think you are being fooled when your child tells you they don't have to wear their school uniform! This is another initiative from our SRC students. Keep up the great work 😊

Bush Tucker Garden

Our Aboriginal Education team and a number of student and families have been working on our Bush Tucker Garden and it is coming along nicely. Early this month we had a number of families come and help plant some shrubs and work with children in the garden. This was followed by a well earned morning tea. Things are really starting to take shape so next time you are at school take a look at the progress being made.

Student Reports

Semester 1 (Term 1 & 2) reports were sent home with students today. Students who are absent from school will have their reports sent home via Australia Post. Please keep an eye out for these and contact the school if you do not receive your child's report. Included in this newsletter is some further information, which will hopefully assist you when making sense of student grades. If further clarification is required please make a time to speak with your child's teacher.

End of term – happy holidays

Finally, school finishes tomorrow at 2.10pm. With a bit of luck, these holidays we will all be able to enjoy some nice weather and plenty of outdoor activity. Stay safe and see everyone back in Term 3.

 Being brave, participating to progress in his writing

**ALL
 STARS
 WEEK 9**

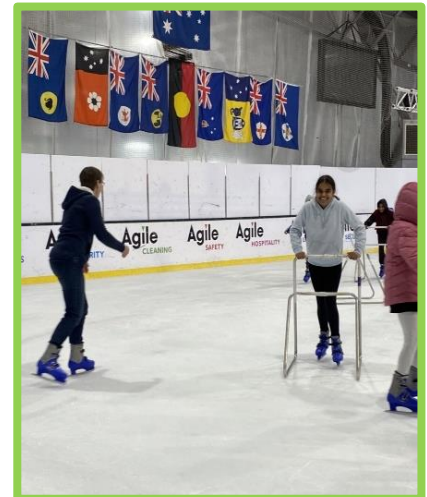

**Canteen
 closed
 tomorrow:**

Friday 2nd July

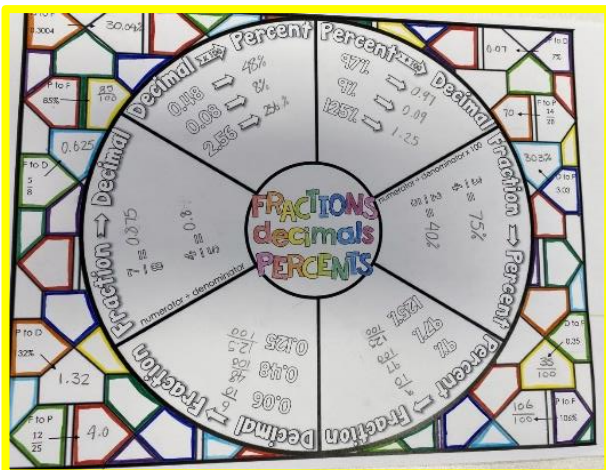

***Please remember to
 pack lunch for your
 child/ren!***

What's Been Happening in Room 2!

Term 2 has been full of exciting activities, school events and most importantly learning! In week 7 Rooms 1 and 2 went on our school camp to Adelaide. It was a fantastic experience for all involved.

We have also been completing a lot of learning. In maths we have been learning about fractions, decimals and percentages.

In writing in term 2 students wrote engaging persuasive texts about the most helpful person at Flinders View in their opinion!
