## From the Principal's Desk...

Dear Parents,

It has been a challenging time at school over the past week as we have had a number of staff absent. But as the saying goes, the show must go on and I am proud to say what a tireless team of workers we have at Flinders View Primary School. Staff have back filled, picked up extra duties and continued working hard to ensure school programs have been able to continue without a hitch! Great work team!

## Governing Council AGM – Postponed to early Term 2

Unfortunately we have had to postpone the Governing Council AGM until early in Term 2. Becoming a part of Governing Council is a great way to be involved in your school. If you would like to be nominated for Governing Council, please contact the front office to express your interest and also ensure you attend our AGM. The new date for our AGM will be in our next newsletter.

## Updating parent contact details and emergency contacts

Some of you may have changed your phone number or address over the holiday break. It is really important that we have your current contact information. This is particularly necessary if we need to make contact with you quickly. Please check the student information sheet sent home recently and update any information that is incorrect before returning to the school. Thank you!

## Parent Teacher Interviews

Interviews are being held on Monday 28<sup>th</sup> and Tuesday 29<sup>th</sup> of March and notes were sent home last week. We are once again using an online format for booking interviews with your child's teacher. You will be able to use a link to book your interview time on your phone, ipad or any other electronic device. The link will be sent home with student as well as by TXT message, hence the importance of us having your most recent phone number on file.

Interviews are a great way to find out about your child's learning so far and the steps taken to help them progress. We hope all families and carers make the most of this opportunity by making an appointment. If you do not have access to a device to make an appointment please contact the front office for support. If you are not available to meet on the above dates, please contact your child's class teacher and arrange an alternate meeting time.

## National Day of Action against Bullying and Violence

Friday 18<sup>th</sup> March was National Day of Action against Bullying and Violence. On Friday classes worked on whole class activities defining bullying and what it means to be a bystander. We aim to ensure all students understand that bullying is not OK and that working together we can reduce the number of incidents at school.

One voucher each calendar year  
for children in Reception to Year 9

### What is the Sports Vouchers program?

The Sports Vouchers program is a Government of South Australia initiative administered by the Office for Recreation, Sport and Racing. The program provides an opportunity for children from Reception to Year 9 to receive **up to a \$100** discount on sport, dance and learn to swim fees. The purpose is to increase the number of children playing an organised sport or participating in dance or learn to swim activities by reducing cost as a barrier.

### Who is eligible for the program?

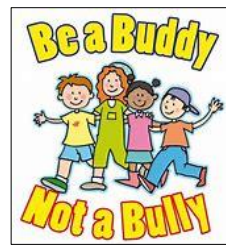

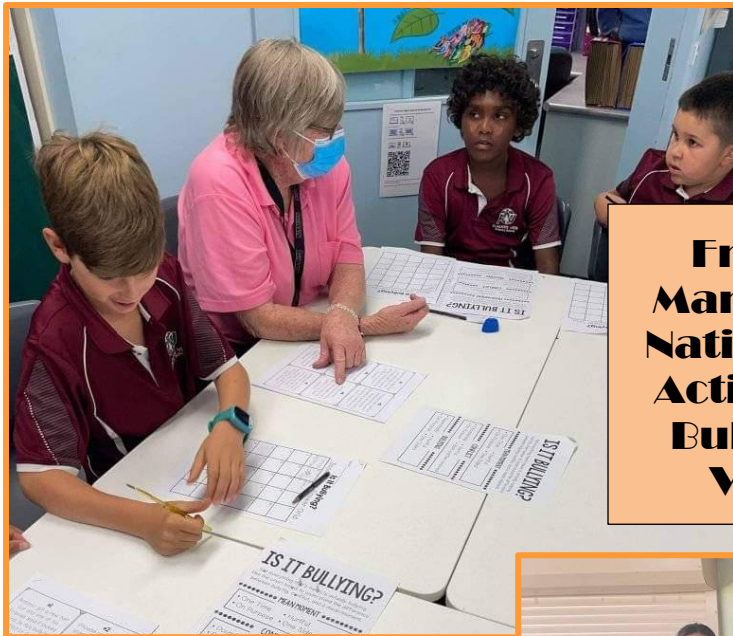

All South Australian children in Reception to Year 9 are eligible from 1 January 2022. This means if a child is 5 (or becoming 5 in the calendar year) to 15 years old are eligible. Remember it is one voucher for each eligible child per calendar year.

### How does the program work?

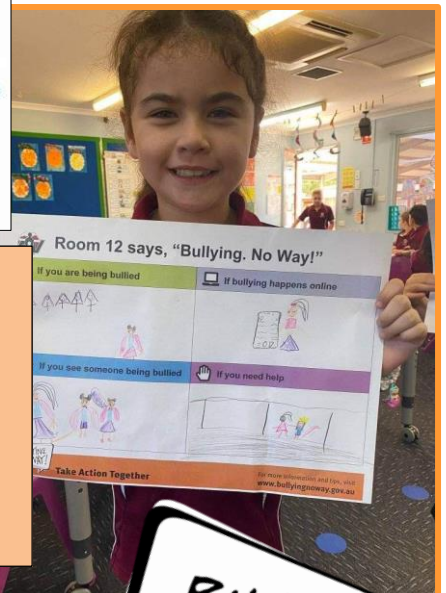

There are currently two methods of claiming a voucher. The method depends on the providers system. Some providers have online registrations, claiming the voucher has been integrated into their systems. If the provider does not have the voucher integrated into their online registrations, you'll need to download the [voucher](#). Once completed, take the voucher to an approved provider to receive a discount on the fees when you register.

Paper copies of the Sports Voucher are available from the Front Office.
