"Education is learning what you didn't even know you didn't know"

From the Principal's Desk...

Dear Parents,

Attendance is still a priority for us and we continue to make face to face contact with families. It is great to see we are moving in the right direction as our attendance percentage this term has been the best this year. Our highlight was Tuesday when we reached 88% - almost reached our target of 90%. This shows that working together we can achieve targets that we set.

Our work will not be complete at the end of the term, as we keep working together to maintain regular attendance habits so that our children are receiving maximum opportunity to be successful at school.

FAMILY NIGHT NEXT WEDNESDAY:

Next Wednesday is our *Family Night* and there's lots of excitement as students practise in anticipation for their upcoming class performance! Information was sent home yesterday with details. With things looking more like 'normal' we are able to proceed with our School Concert like we used to! That is no ticket sales are required and we hope to see many families here to see students demonstrate their performance skills and showcase their learning
