## From the Principal's Desk...

Dear Parents & Caregivers,

Sports Day was held last Friday and it was a fabulous day shared with many families and friends who were in attendance supporting students. The weather could not have been any better and there was a lot of cheering and chanting of team songs. All students enjoyed being competitive and showed great sportsmanship. Well done Redbanks on being the overall winners for the day! Congratulations to Mr U and the school events committee for their work, Vicki in the canteen and our school fundraising committee for organising a drink stall on the day and becoming involved in school events.

On another note, we have noticed an increase in the number of student's onsite before school starting time of 8:35am. This is a reminder to all families that whilst the pedestrian gates are open early, school does not commence until 8:35am. This is the time that staff supervision begins on school grounds and we encourage parents not to bring children early. The gates are open for children who might need a safe place to wait for school to start.

## Year 6 High School Transition process

Yr 7 Registration of Interest packs were sent home with Year 6 students in week 2. Letters included a personalised link for families to go online and complete their registration of interest for secondary school. Families that we have an email address for, have also received the link via email. It is important for you to respond so that the local high school is informed of your intention to enrol. Later in the year, students will receive a placement offer at the local high school and enrolment forms to complete ready for 2024.

## School Photos in week 9, Wednesday 28<sup>th</sup> June

An SMS has been sent to families with a link to lodge orders online. You are able to log onto MSP Photographers website and order photos anytime between now and photo day. There will be limited individual and family envelopes sent to school for ordering photos if online does not work for you. We have not received these yet. Please contact MSP directly if you have any further enquiries on (08) 8523 4480.

*Anna Nayda ☺*

A huge thankyou goes out to our Volunteers who serve on governing council, work in our canteen and read with our students. We really appreciate you.

## How old do you have to be to use Snapchat?

Snapchat's terms of service state that users must be 13 years of age. Users have to enter their birth date to set up an account, but there is no age verification. This makes it easy for children under 13 to sign up. Common Sense Media rates Snapchat OK for teens 16 and up, mainly because there can be exposure to age-inappropriate content and marketing ploys, such as quizzes, that collect data. More information can be found on the eSafety Commissioner website at: [www.esafety.gov.au](http://www.esafety.gov.au).

## AN EVERYDAY LUNCHBOX IS MADE UP OF EVERYDAY FOODS:

**Crunch&Sip®**  
Vegetables or fruit

**Recess**  
Vegetables or a piece of fruit  
+ 1-2 everyday snacks

**Lunch**  
A sandwich, wrap or roll with  
everyday fillings or an alternative  
such as pasta or fried rice

**Drink**  
Water and/or reduced fat  
plain milk

One swap from a sometimes food to an everyday food can make a big difference to your child's health and wellbeing.

## "The Speedy Sloth"

This year's National Simultaneous Story time book is 'The Speedy Sloth' from award-winning author Rebecca Young. It is a delightful story about a sloth who is determined to be the fastest animal in the jungle. An inspiring story which celebrates all winners, especially those who don't come first, the story is full of humour and excitement and is sure to be a hit with children of all ages. The book also contains beautiful illustrations by Heath McKenzie that will capture the attention of any young reader.

# Welcome to Preschool!

So far this term the Pre-School children have engaged in lots of creative and dramatic play. The children enjoyed creating collage letters, bubbles, paper people, towers, chalk art and Mother's Day cards. A popular new addition was the doctor's play area with educators, friends and even dinosaurs getting medical help. Through play the children are developing their social and emotional skills and communication. They are successfully challenging themselves in all aspects of their learning.
