From the Principal's Desk...

Dear Parents & Caregivers,

We have had a very busy week celebrating Reconciliation Week, the theme being "Be a Voice for Generations". Our celebrations began with an official Opening Ceremony with our school community. This was followed by the raising of the flags and morning tea, it was terrific to see so many families involved. On Tuesday students took part in Storytelling with Michelle and planting in the Bush Tucker Garden and on Wednesday students were able to paint a paver with the design they had created earlier in the week. On Thursday a group of students were selected to take part in the Community Reconciliation Event organised by the city council. To finish our celebrations, we came together on Friday for the closing ceremony and used our voices to share with our school community; showcasing that by working together we are able to overcome challenges and make change.

Student Reports

Staff are busy writing student reports at the moment, which will be issued to children Thursday 6th July. Students receive a content summary and grade for each subject area whilst the general comment will be more detailed in the area of Literacy and Numeracy. Students who are absent on the last day of term will have their reports posted. Please make sure we have your current address on file to ensure prompt delivery.

School Photos in week 9, Wednesday 28th June

You are able to log onto MSP Photographers website and order photos anytime between now and photo day. The link is: <https://flindersviewps-sa.msp.photos/Photos/>. There will be limited individual and family envelopes sent to school for ordering photos if online does not work for you. We have not received these as yet but I believe they are on their way. Please contact MSP directly if you have any further enquiries on (08) 8523 4480.

REMINDER: Please remember to keep your children home if they feeling unwell. It is also still important to get children tested for COVID if they have symptoms. Families must still notify the school of any positive cases. Thank you for your cooperation.

Dear Students and Families of FVPS,

You won't be seeing me at school for a while, as I'm
going to train for a new part-time job. I do hope to
return later in the year, so *this isn't an official
goodbye, but see you later.*

I will miss all of your cheerful smiles and greetings
while I'm gone. Take care, work hard in the classroom
and be kind to one another.

Sincerely,

Varnya Kaitu'u

SCIENCE

Room 12

This term in science, students have been learning about sound. Students created 'cup phones' to explore how sound causes vibrations and how these transfer from one place to another. Students had a lot of fun testing their 'phones' out on the playground.
